

Activity 1

Facilitator Instructions:

Say: Let's do a quick activity to navigate the Impact of AI on job availability in design

ACTIVITY BRIEF		
Activity Topic: Impact of AI on Job Availability in Design		
Activity Objective: To understand the implications of AI tools in design, focusing on the potential impact on job availability, future trends, and addressing ethical considerations		
Total Duration: 10 mins		
Pre-requisites: Lecture Notes		
Authored by: Ekta Rohilla		
DURATION	FACILITATOR INSTRUCTIONS	PARTICIPANT INSTRUCTIONS
10 mins	<p>Divide participants into small groups (4-5 members per group).</p> <p>Assign each group a specific aspect to discuss related to job availability and the impact of AI in design (e.g., Automated Design Creation, Predictive Design Analysis, Personalized Design, Accessibility and Inclusivity, Current Applications, Future Trends, or Ethical Considerations).</p> <p>Instruct each group to explore the potential opportunities and challenges associated with their assigned aspect.</p> <p>Encourage participants to share personal perspectives, insights, and examples related to AI's impact on design jobs.</p> <p>After discussion, ask each group to summarize their key points and findings.</p>	<p>In your group, focus on the aspect assigned to you.</p> <p>Discuss how AI impacts job availability in design within the assigned aspect.</p> <p>Consider both opportunities and challenges. Share personal perspectives, experiences, or examples related to the impact of AI on design jobs.</p> <p>Consider potential future trends and challenges outlined in the content.</p> <p>Summarize key points and findings to present in the larger group discussion.</p> <p>During the comprehensive discussion, actively participate by</p>

	<p>Open the floor for a comprehensive group discussion, allowing participants to exchange thoughts, ask questions, and provide additional insights.</p> <p>Conclude the activity by addressing the ethical considerations and encouraging participants to reflect on potential solutions and strategies for adapting to the evolving landscape of AI in design.</p>	<p>sharing insights, asking questions, and engaging in the conversation.</p>
--	---	--

Activity 2

Facilitator Instructions:

Say: Let's do a quick activity to explore AI tools for designing.

ACTIVITY BRIEF		
Activity Topic: AI Tools Impact and Exploration		
Activity Objective: To explore the impact of Canva's AI features on the design process, their practical applications, and potential challenges		
Total Duration: 10 mins		
Pre-requisites: Lecture Notes		
Authored by: Ekta Rohilla		
DURATION	FACILITATOR INSTRUCTIONS	PARTICIPANT INSTRUCTIONS
10 mins	<p>Divide participants into small groups (4-5 members per group).</p> <p>Assign each group a specific AI tool or feature discussed in the content (e.g., Magic Media, Magic Eraser, Magic Edit, Magic Write, Magic Animate, Magic Design, Magic Switch).</p> <p>Instruct each group to explore and discuss the practical applications of the assigned AI tool or feature in the design process.</p> <p>Consider how it can streamline tasks, enhance creativity, and save time.</p> <p>Encourage participants to share their thoughts on how AI tools may impact job roles and responsibilities in the design industry.</p>	<p>In your group, focus on the assigned AI tool or feature.</p> <p>Discuss and explore the practical applications of the assigned AI tool in the design process.</p> <p>Consider how it can be utilized to streamline tasks, enhance creativity, and save time.</p> <p>Share insights on how the introduction of AI tools might impact traditional design roles and responsibilities.</p> <p>Be prepared to present your group's findings to the larger group during the discussion.</p>

	<p>Ask each group to present their findings to the larger group, summarizing key points and insights.</p>	
--	---	--

Activity 3

Facilitator Instructions:

Say: Let's do a quick activity to reflect on the design toolkit.

ACTIVITY BRIEF		
Activity Topic: Design Toolkit Reflection		
Activity Objective: To design using Canva and share insights on the creative process.		
Total Duration: 10 mins		
Pre-requisites: Lecture Notes		
Authored by: Ekta Rohilla		
DURATION	FACILITATOR INSTRUCTIONS	PARTICIPANT INSTRUCTIONS
10 mins	<p>Start by discussing the key points from the lecture notes on the practical approach to design using Canva.</p> <p>Divide participants into small groups (3-4 members per group).</p> <p>Instruct each group to discuss their understanding of the Canva design process and how it can be applied in real-world scenarios.</p> <p>Encourage participants to share their thoughts on the importance of design in communication.</p> <p>Allow time for group discussions.</p> <p>Bring the groups back together for a brief whole-group discussion.</p> <p>Ask each group to share one key insight or takeaway from their discussion.</p>	<p>Engage in a group discussion about the practical approach to design using Canva.</p> <p>Share your thoughts on how the design process outlined in Canva can be beneficial in various contexts.</p> <p>Discuss the significance of visually appealing communication materials.</p> <p>Reflect on any challenges or creative insights discussed within your group.</p> <p>Prepare to share one key insight or takeaway with the whole group during the concluding discussion.</p>

Activity 4

Facilitator Instructions:

Say: Let's do a quick activity to explore design.

ACTIVITY BRIEF		
<p>Activity Topic: Design Critique</p> <p>Activity Objective: To develop critical thinking skills by analyzing and critiquing design elements in Canva creations</p> <p>Total Duration: 10 mins</p> <p>Pre-requisites: Lecture Notes</p> <p>Authored by: Ekta Rohilla</p>		
DURATION	FACILITATOR INSTRUCTIONS	PARTICIPANT INSTRUCTIONS
10 mins	<p>Instruct participants to bring their Canva designs to the session.</p> <p>Briefly discuss the importance of constructive criticism in the design process.</p> <p>Divide participants into pairs or small groups.</p> <p>Instruct each group to take turns presenting their Canva designs to the rest of the group.</p> <p>Encourage constructive feedback on elements like layout, color choices, and overall effectiveness.</p> <p>Allow time for each presentation and critique.</p>	<p>Bring your Canva design to the session.</p> <p>Prepare a brief presentation highlighting key design choices and elements.</p> <p>Be open to receiving constructive feedback from your peers.</p> <p>Engage in thoughtful discussions about the design elements presented by others.</p> <p>Reflect on the feedback received and consider how it could enhance your future design work.</p> <p>Participate in the whole-group discussion on the value of feedback in the design process.</p>

	Conclude the session with a brief whole-group discussion on the value of feedback in the design process.
